INTRODUCTION

AL ALAMEA for Importing Pharmaceutical Medical Equipment and Necessity was founded in 2005 and has been active in the following areas :

- Our Healthcare Department deals with Medical equipment projects in Libya
- Healthcare supplies
- Consultancy
- Pharmaceutical Supplies
- Device and Equipment Maintenance .

We have been involved in the Libyan healthcare market - collectively as an organization and as individuals- for the last 13 years. We have served as successful catalysts and promoters and as a reliable interface between International manufacturing companies and the Libyan market which, unlike the markets in the developed world, is unique and extremely difficult, with many hurdles to overcome, requiring local knowledge and a good network of relationships.

AL ALAMEA Company Profile

We are a first class local Libyan Agent, Distributor and Representative, taking care take care of sales, after-sales service, and business development, including but not limited to:

1. Educational and promotional services, and product launches
2. Business generation, growth and technical representation
3. Follow -up of potential and ongoing projects
4. Installation, maintenance, warranty periods, traceability, locating of all units and preparing and continually updating databases of the existing equipment for easy follow up.
5. We establish a Libyan connection for manufacturers, by creating a direct channel in case of customer complaints and service orders etc.
6. Due to ongoing changes in the market, especially towards privatization, (although not clearly established yet), we serve as an exclusive agent and importers of Healthcare supplies and cover both the private and public sectors, which we expect to develop strongly over the next two to three years.

Employees:

Tripoli: 10 employees excluding company representatives.

The number of employees will be increased as necessary in line with market development needs.

AL ALAMEA provides full packages for Medical Consultancy, Healthcare Planning, Medical Equipment, Teaching and Training Programmes.

Some of AL ALAMEA's Partners / Principals whom we represent and whose products we distribute in Libya exclusively are :

- IC Products
- Ortho-Trauma (UK) Limited
- Kimal
- BSN
- Smith&nephew

The above Partners / Principals and others are ready to provide references on demand regarding the high quality of our services .

We are qualified, experienced and well equipped to prepare market research studies for selected products and market sectors in a market expected to be booming in the near future.

The public sector remains the major part of the market while the private sector is still struggling due to the low income of the general public. Therefore, the private sector clinics tend to prefer lower priced and lesser known brands. We satisfy the needs of both the Public and Private sectors.
